

Here's to the 400+ action heroes who made us one of the 100 FGPCs

Thank you for not just sharing the
vision, but for running with it.

They're faster than the
competition. More
powerful than a battalion
of bankers. Able to leap
tall loan-approval hurdles
in a single bound. They're
the onward-and-upward
employees of Merit
Financial who are
redefining the lending
industry, one delighted
customer at a time.
